11:00 - 12:30pm
Group 1 - Venus by Progression and Solar Arc with Alex Trenoweth
The Secondary Progressions and Solar Arc Directions of Venus give indications of how you may develop and gain maturity in the way you experience the Venus archetype over time. Learn how to work with these techniques and what they might uncover about your life experiences.

Group 2 - **Venus in Astro Cartography with Julija Simas**
Astrocartography is the projection of your astrology onto a world map. By doing this we can see where any planet is in a potent position around the globe. In this session we will learn how to read and astromap and focus on our Venus lines and what they are showing us. With chart examples from our audience

HALF DAY - you are welcome to come from 1:00pm to enjoy the grounds and market wares

2:00 - 5:30 - AN ASTRO TAROT JOURNEY with Olga Morales
The Tarot is a symbolic storybook of timeless wisdom dating back from the ancient Hermetic mystery schools in Egypt. As part of the initiatory process the neophyte endured physical and psychological dramas to unlock hidden aspects from within the soul. The Tarot cards can be used as a tool not only of prophecy but more importantly, to unveil the evolutionary path of the soul. At birth, the reincarnating soul is locked into a symbolic pattern of adventure and growth. Astrologically, as the soul progresses through the zodiac, so does the Tarot journey. Join Olga in this workshop to discover and explore your unique Tarot journey. Join Olga for the full afternoon in this to discover and explore your unique Tarot journey encoded in your astrology chart. Bring your Tarot Cards Cards
